

## Recycling e-waste

---

May 20, 2006

Dustin Scholfield, left, sorts computer parts as Traci Phillips, right, wraps computer monitors during the E-Waste Collection at the Durango Recycling Center on Friday. The E-Waste Collection, which runs again today from 9 a.m. to 3 p.m., is a special recycling event for all types of electronics. There is a charge of \$5 to \$25, depending on the type of equipment being recycled. Phillips, of Natural Evolution Inc., an electronics recycling company, estimated that 42,000 to 45,000 pounds of electronics were recycled on Friday.
